The height limitations shall not apply in the case of machinery or equipment taller than 8 or 12 ft. placed in a position comparable to actual utilization for shop or field purposes, provided such position does not interfere with the line of sight from the aisle to an adjacent exhibitor.

4. **BOOTH REPRESENTATIVES.** Booth representatives shall be restricted to the booths of their exhibiting companies. Booth representatives shall wear badge identification furnished by the Association at all times; the Association may limit the number of booth representatives at any time. Badges must be in full view, at all times, when in your respective booth.
